

Four Advent Meditations  
for organ

9 minutes

Brooke Joyce (2013-15)

Premiered by Brooke Joyce, December 2015

Program Note:

These short meditations are based on Gregorian chants associated with the four Sundays in Advent. Each piece begins with a free, unmetred rendition of the chant, followed by a musical elaboration that uses the chant as a starting point. They are each roughly two minutes in duration, and were composed between 2013-2015.
