

Prelude and Passacaglia  
for organ

12 minutes

Brooke Joyce (1995)

Premiered by David Messineo, 2004

Program Note:

My first true encounter with an organ came during my final semester in college, when a new Brombaugh organ was installed in our school chapel. This work, which incorporates the hymn tune "Ellacombe," resulted; it is dedicated to the memory of David Messineo, who left this world all too soon.
